

Beat the Drum Slowly

Timber Timbre

deco town, rainbow phantom show
crystal call, silver tabloid entry
the celebrity centry

a failling train of the golden age
a flickin out
in the ... the ashes
fantasin fantastic

Outrange the avalanche (3x)
to the camera rolling

we beat the drum slowly

the family joke ...
...coffin
we heard crime soft and softly
a mystery mist, new sister shift
thinks reconise from television trims
the style ...

Outrange the avalanche (3x)
to the camera rolling
