

Black Creek Drive

Timber Timbre

You're the spitting image
Of a parking lot
You're the spitting image
And you're the best
Goddamn swimmer I've ever seen

And you found yourself
A nice place to live
You found yourself
A nice little town to haunt

Out on Black Creek Drive
Out on Black Creek Drive
Out on Black Creek Drive
Where I should've been born

You found a nice place to live
You found a nice town to haunt
Out on Black Creek Drive
