Curtains!?

Timber Timbre

Picture me a magazine
Empty in the night
No, there is not much redeeming
About this dawn's breaking light.

Curtains, I could have it on my own The window, the view, The second story fall.

Kristen by the look
Hummed on all the tracks.
She said a diamond wouldn't hurt,
And that I should roll it back.

Curtains on the quiet sight Curtains came ... Where is the ... height?
