

Floating Cathedral

Timber Timbre

I entered a plaza
I circled the dawn
A floating cathedral
This does not look like home
Or is this Ravenna?
Is this Venice or Rome?
I cannot remember
It's been like this for such a long time

Sarah (Sarah)
Give today, summertime, stay awake a little while
Sarah (Sarah)
Sarah says I'm on fire trying to romanticize
Sarah (Sarah)
Give this a bit more life, stay a little longer now
Sarah

The pier meets the boardwalk
The midway, the ride
A Coney Island mermaid
Caught out in the sludge tide
My baby was barren
And I felt like half a man
The king of devotion
His death on Instagram

Sarah (Sarah)
Give today, summertime, stay awake a little while
Sarah (Sarah)
Sarah says I'm on fire trying to romanticize
Sarah (Sarah)
Sarah's smile one more time, remember I could be kind
Sarah (Sarah)
Give this a bit more life, stay a little longer now
Sarah
