

Mercy

Timber Timbre

Grant me the strength to love you,
as I once loved sin itself.
You give out the glory of heaven,
You give out the pain that is hell.
Grant me the wisdom of changes,
Grant me your horse and a bell.
Grant me a question direction,
And grant me the answers aswell.

And lord, lord.
Have mercy on me.
But lord, lord.
Have mercy on me.
Lord, lord,
have mercy on me.
Lord, lord,
have mercy, have mercy on me.
