## **Run From Me**

## **Timber Timbre**

run from me darlin' run my good wife run from me darlin' you'd better run for your life run from me baby run my good wife run from me baby you better run for your life and each time I see you I contemplate what I love most of all your swingin' gaze run from me darlin' run my good wife run from me darlin' you'd better run for your life

run, run, run, run run, run, run, run run, run, run, run run, run, run, run
