Say Again

Time Again

Say it again, got everything I got, Come on now and take another shot, The rum is coming, the rum is going And every single day, I keep on growing.

[Chorus:] Everything I did, I do again (never stopping). Everything I said, I say Again.

Now I just take my next step in life, Hoping everything will turn out alright, I think about the things I did again, Come right now let me tell you my friend
