Timeflies

I'm not a fan of puppeteers,
But I've a nagging fear
Someone else is pulling of his tricks

Something terrible is going down
Through the entire town!
Wreaking anarchy and all it's bricks

I can't sit idly,
No I can't move at all!
I curse the name
The one behind it all

Discord, I'm howling at the moon,
And sleeping in the middle
Of a summer afternoon

Discord, whatever did we do
To make you take our world away?

Discord, are we your prey alone?
Or are we just a stepping stone
For taking back the throne?

Discord, we won't take it any more,
So take your tyranny away!

(Disco-o-oo-o-oo-ooo-oo-rd) x3

I'm fine with changing status quo
But not in letting go
Now the world is being torn apart

A terrible catastrophe
Played by a symphony
What a terrifying work of art

I can't sit idly
No, I can't move at all
I curse the name
The one behind it all

Discord, I'm howling at the moon,
And sleeping in the middle
Of a summer afternoon

Discord, whatever did we do
To make you take our world away?

Discord, are we your prey alone
Or are we just a stepping stone
For taking back the throne?

Discord, we won't take it any more,
So take your tyranny away!
