

## All The Way

Timeflies

Made up my mind, you'll be mine someday  
You know I need you, so don't turn away  
'Cause at the end of the day, I'll be alright  
Still I'm praying that you'll change your mind  
I'll be okay  
'Cause you'll come around eventually

He-he-hey  
Will I love someone, and loving all the way?  
He-he-hey  
You know I'm the one to take you all the way

I know you hope that I'll just let it go,  
'Cause I won't just stand that you walk alone,  
Don't be afraid, you're not on your own  
As I as you know will be alright  
Still I'm praying that you'll change your mind,  
I'll be okay  
'Cause you'll come around eventually

He-he-hey  
Will I love someone, and loving all the way?  
He-he-hey  
You know I'm the one to take you all the way

(Oh oh ooh oh oh ooh)  
(Oh oh ooh oh oh ooh)

I told the truth  
Will I love someone, and loving all the way?  
He-he-hey  
You know I'm the one to take you all the way

He-he-hey  
Will I love someone, and loving all the way?  
He-he-hey  
You know I'm the one to take you all the way
