All The Way

Timeflies

Made up my mind, you'll be mine someday You know I need you, so don't turn away 'Cause at the end of the day, I'll be alright Still I'm praying that you'll change your mind I'll be okay 'Cause you'll come around eventually He-he-hey Will I love someone, and loving all the way? He-he-hey You know I'm the one to take you all the way I know you hope that I'll just let it go, 'Cause I won't just stand that you walk alone, Don't be afraid, you're not on your own As I as you know will be alright Still I'm praying that you'll change your mind, I'll be okay 'Cause you'll come around eventually He-he-hey Will I love someone, and loving all the way? He-he-hey You know I'm the one to take you all the way (Oh oh ooh oh oh ooh) (Oh oh ooh oh oh ooh) I told the truth Will I love someone, and loving all the way? He-he-hey You know I'm the one to take you all the way He-he-hey Will I love someone, and loving all the way? He-he-hey You know I'm the one to take you all the way
