

# Mia Khalifa

Timeflies

Ay, I came to cash checks  
I wanna stack more gold than Aztecs, that's the goal  
Got me sayin' God bless!  
To the Visa and American Express  
Watch, now make it rain  
Gon' hold your green up, place go insane  
When we blow the scene up  
All eyes on me, go enlight the ight  
I tell 'em here, go and swipe to stripe  
Tell 'em, Mia Khalifa  
Mia Khalifa  
Mia Khalifa  
Mia Khalifa  
Whoa, what it is?!

Credit or debit, I get it I bet it  
I double the money, and spread it  
Watch it rain, and let it fall like confetti  
No, never regret it  
I said it, I meant it for even a second as soon as I get it  
Well, you know I'ma spend it  
It's like bang,  
Now watch it stack it up,  
Game like this make you wanna pack up  
Know she got dumps, like a truck  
Beep beep beep  
God damn, love to watch you back up okay  
Oh, hey now let's go and get it on  
From New York to the bay, all the way to Lebanon  
Sometimes you gotta make a decision,  
Took her talents 'round the World  
Now she ballin' like LeBron, Aye!  
Got me thinkin' like Olay  
Still play in Beirut? Nah, I'm just fillin' 'em rose  
Girl, I wonder what you try for,  
I'll put you into positions you don't even need to apply for, Aye!  
Mia Khalifa,  
Said Mia Khalifa  
Mia Khalifa,  
Mia Khalifa,  
Mia Khalifa  
Aye, Mia Khalifa,  
Mia Khalifa

Can't see, got my eyes on tent  
Got the cash flow comin' like I'm straight up at the mint  
Woke up like where the fuck my money went?  
Must have been a good time,  
Now, that's money well spend ha!  
Khalifa teacher, haters need ya  
Reefer blowin' now right up at the speakers  
Nothing but respect like I'm here singing with Aretha  
Got me going in,  
Let me do my own feature  
Mia Khalifa,  
Mia Khalifa,  
Mia Khalifa,

Mia Khalifa  
You can do it like Mia Khalifa  
You can do it like Mia, Mia  
Aha aha, Mia Khalifa,  
Mia Khalifa  
I said it, Mia Khalifa
