I Hope I Never

Tina Arena

I fall apart
When your around
When you're here
I'm nowhere
I can't pretend
That I'm not down
I show it I know it
I've been a fool
More than once
More than twice
I'm gonna move
To a new town
Where the people
Are nice

I hope I never I hope I never Have to sigh again I hope I never I hope I never Have to cry again I still want To beam And smile yah Happiness is back In style Yeah I hope I never I hope I never Have to see you Again Again Oh oh oh oh

It should be Possible I know To see you Without stress But I can see I'll have to go I'm changing My address My urge to cry I have failed To conceal Life It's no fun When your hunted By the things That you feel

I hope I never
I hope I never
Have to sigh again
I hope I never
I hope I never
Have to cry again

I'm for living
While you can
I'm
An optimistic man
I hope I never
I hope I never
Have to see you
Again
Again
Oh, oh, oh, oh

I hope I never I hope I never I hope I never Never, never

I hope I never I hope I never Have to see you Again

Again
