

# I Only Want to Be with You

Tina Arena

I don't know what it is that makes me love you so  
I only know I never want to let you go  
Cause you've started something  
Oh, can't you see?  
That ever since we met  
You've had a hold on me  
It happens to be true  
I only want to be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Oh, look what has happened with just one kiss  
I never knew that I could be in love like this  
Its crazy but its true  
I only want to be with you

You cast a spell on me  
And left me in a trance  
I fell into your open arms  
And I didn't stand a chance  
Now listen honey

I just want to be beside you everywhere  
As long as were together, honey, I don't care  
Cause you've started something  
Oh, can't you see?  
That ever since we met  
You've had a hold on me  
No matter what you do  
I only want to be with you

You cast a spell on me  
And left me in a trance  
I fell into your open arms  
And I didn't stand a chance  
Now hear me tell you

I just want to be beside you everywhere  
As long as were together, honey, I don't care  
Cause you've started something  
Oh, can't you see?  
That ever since we met  
You've had a hold on me  
No matter what you do  
I only want to be with you  
I said no matter, no matter what you do  
I only want to be with you
