

# If You Ever

Tina Arena

We are not strangers  
Could we have met some place before  
Am I in danger of myself  
You're like a magnet  
You pull me right across the room  
It's like were thinking out loud  
I can feel an unexplained connection  
I can feel your undivided attention  
I know that you're with somebody else  
But I do  
Feel like I have loved you  
In another place and time  
If it's true  
Then I'll be waiting for you  
If you ever change your mind  
Let me change your mind  
You leave me breathless  
While sweet seduction takes a hold  
You lied to everybody else  
I can feel an unexplained connection  
I can feel your undivided attention  
I know that we have to say good bye  
But I do  
Feel like I have loved you  
In another place and time  
If it's true  
Then I'll be waiting for you  
If you ever change your mind  
If you ever change your mind  
If you ever realise  
That it's me you want in your life  
You know where to find me  
If you ever change your mind  
Yeah ,Yeah, Yeah...  
But I do  
Feel like I have loved you  
In another place and time  
If it's true  
Then I'll be waiting for you  
If you ever change your mind  
Woah  
If you ever change your mind  
Baby change your mind  
I'll be waiting...  
If You ever, ever change your mind  
Baby change your mind  
Woah change your mind  
Woah
