

# Standing Up

Tina Arena

There was a time I was not so certain  
All the games I played just multiplied the hurtin'  
Mixed emotions  
Never knowing right from wrong  
I kept it all inside  
Pretending to be strong  
I'm a woman, to myself I must be true  
Finally I believe I know just what to do

I'm standin' up, willin' and I'm able  
Now I'm standing up for the first time in my life  
I'm standing up, now I'm ready for love

I was pushed around until I came to find  
My insecurity was just a state of mind  
Even though I only had myself to blame  
Now I've learnt to trust my heart  
And I'll never be the same  
I'm a woman, but just like anybody else  
I've got a lot to give, don't wanna keep it to myself

I'm standin' up, willin' and I'm able  
Now I'm standing up for the first time in my life  
I'm standing up, now I'm ready for love
