

# Symphony of Life

Tina Arena

Stars are shining in your eyes  
And I begin to realise  
That our path through times unbroken  
Do you know what its like  
When a mirror never lies  
And the truth remains unspoken

And we dance into the fire  
As our spirits take us higher

Do you feel me now  
Burning like a flame  
If you touch me  
I may disappear  
Floating through your eyes  
How do we resist  
The gravity of love  
In the symphony of life

There's a place I've never been  
Where there's angels gathering  
And we talk about the future  
When the simple things in life  
Can do more to satisfy  
With their wisdom be my teacher

You can have all that you desire  
But it may not take you higher

Do you feel me now  
Burning like a flame  
If you touch me  
I may disappear  
Floating through your eyes  
How do we resist  
The gravity of love  
In the symphony of life

Whoa

Symphony of life

Do you feel me now  
Burning like a flame  
If you touch me  
I may disappear  
Floating through your eyes  
How do we resist  
The gravity of love  
In my symphony of life
