

# Unravel Me

Tina Arena

Pick up my bones off the floor  
Collect all the glitter and gold  
If I let go of this rope  
I can still hold on to hope

But it's pushing me back  
Taking me over  
It's not killing me yet  
Shouldn't I be stronger?

I'm in a haze of smoke  
Lost in a dream surrounded by ghosts  
Trying to breathe but these lungs  
Are spinning in circles  
Not coming undone  
So unravel me, oh unravel me  
Oh unravel me, oh unravel me

Liberate if you can  
Maybe help me understand  
Wrapped up, twisted, no one said  
I'd be strangled in this web

I'm pushing back, not going under  
What's not killed me yet  
Will make me stronger

I'm in a haze of smoke  
Lost in a dream surrounded by ghosts  
Trying to breathe but these lungs  
Are spinning in circles  
Not coming undone  
So unravel me, oh unravel me  
Oh unravel me, oh unravel me

Oh unravel me

I'm in a haze of smoke  
Lost in a dream surrounded by ghosts  
Trying to breathe but these lungs  
Are spinning in circles  
Not coming undone  
So unravel me, oh unravel me  
Oh unravel me, Oh unravel me
