

Cookie Face

Tina Charles

We'll walk alone the golden sand
Just like two lovers we'll be holding hands
Watching the world go by
Under a clear blue sky
People are dancing, lovers romancing now

A holiday of a lifetime in Jerba
Just you and I and a night of a thousand stars
He calls me cookie face
He loves my cookie face
Spending the summer days with his cookie face
Well, I'm his cookie cookie coo-coo-cookie face

Love is a way to get together
We'll make this love of ours forever
Summer in the air
We have our love to share
Being beside you, you and your cookie face

He calls me cookie face
He loves my cookie face
Spending the summer days with his cookie face
Well, I'm his cookie cookie coo-coo-cookie face
Cookie cookie coo-coo-cookie face
Well, I'm his cookie cookie coo-coo-cookie face
