

Do What You Wanna Do

Tina Charles

You got me crin' inside in
Not knowing what it's all about
If I am coming or going
Am I in your good books or out
This Lovin', lovin', lovin'
Got me going round and around

Got to get my feet on the ground
Oh, i do what I wanna do
Go where I wanna go
I'm gonna live for myself
I bee what I wanna be
Say what I wanna say
Or give to somebody else
I'm longin' for the sound of my laughter
I'm so tired to be pushed around
Help me some changes here after
I think I get out of town
This lovin', lovin', Lovin'
Ain't gonna put one over me
Gonna get better you see

Oh, I do what I wanna do
Go where I wanna go
I'm gonna live for myself
I'll be where I wanna be
Say what I wanna say
Or give to somebody else

Oh, I do what I wanna do
Go where I wanna go
I'm gonna live for myself
I'll be where I wanna be
Say what I wanna say
Or give to somebody else
