

I'll Go Where Your Music Takes Me

Tina Charles

I'll go where your music takes me
Where your rhythm makes me
That's where my destiny is gonna be

Woo woo
Hey hey
Ah.....

I'll go where your music takes me
Where your rhythm makes me

That's where my destiny is gonna be

And I'll be your second harmony
We'll make sweet melodies
Ever so tenderly 'cause we got the key

Everybody's searching for a dream
People making plans
Well I've got what I been searching for
Right in a palm of my head
Well I want you to know
That I won't let you go

Like a bee needs a hive
I need your love to keep me alive
And I like a leaf clings to a tree
I need your love to cling to me
Well I know what is worth (and it was here)
You're my heaven on earth (on a heaven)
