

# Rendezvous

Tina Charles

I'm not school girl Juliet  
Who falls in love each night  
But I think I've fallen on first sight

Know we only met just yesterday  
I barely know your name  
But I think I love just the same

I haven't stop thinking about our date tonight  
I hope you haven't changed your mind  
I haven't stop dreaming about you hold me tight  
Tonight all this time

We got a rendezvous tonight at half past eight  
We got a rendezvous now don't forget our date  
Na na na rendezvous just me and you!

Ah  
My head is swimming bells are ringing  
I can't move at all  
Day is dragging night will never fall

I know we only met just yesterday  
In the small cafe  
Since that moment I've been walking tall
