I have looked at it from every scientific point of view Been through all the possibilities
And looked at every stat and every clue

I have put myself through an extensive lie detector test And the outline from the needle point have proven What my heart had already guessed:

```
That I'm in love
I'm in love
I'm in love with a beautiful man
I'm in love
I'm in love
I'm in love
I'm in love and it's almost more than I can stand
So I guess I better tell him...
That I'm in love...
```
