

# All the Woman

Tina Turner

Don't walk crowded streets  
Choose every dream from a magazine stand  
I don't buy into that  
All day tv shows  
Sell their souls just to make living easy  
I don't buy into that  
I don't need satin and lace no no no  
I'll bring a smile to your face

I'll never be a fire but I will be the flame  
I'll never be a diamond but I'll never be fake  
No I've never been a winner but I still play the game  
Can't you see this is me  
I'm all the woman that I wanna be  
Good times can't get enough  
Life can be tough but it's all for a reason  
I sure buy into that  
Life goes around and around  
We seek what we found 'cause it's all an illusion  
I sure buy into that  
I know the waters of fate  
Will keep on flowing my way

I'll never be a fire but I will be the flame  
I'll never be a diamond but I'll never be fake no no  
I've never been a winner but I still play the game  
Baby can't you see this is me  
I'm all the woman that I want  
I've never been afraid of myself  
I don't buy into that I don't buy into that  
I don't wanna be nobody else I don't buy into that I don't buy  
into that I don't buy into that

I'll never be a fire but I will be the flame be the flame  
I'll never be a diamond but I'll never be fake oh no no no  
I've never been a winner but I still play the game  
Baby baby can't you see that this is me I'm all the woman that  
I want all I wanna be  
I'll never be a fire but I will be the flame be the flame  
I'll never be a diamond but I'll never be fake oh no no no  
I've never been a winner but I still play the game  
Can't you see this is me  
And I'm all the woman that I wanna be
