

# Fool For Your Love

Tina Turner

Ooh, love was so hard to find  
Untill you came along in my life  
And I thought I would lose my mind  
When you said that you want(ed) to be mine

And ever since that day I've been hooked  
Nothing can turn me away  
This living with you is like a dream come true  
And it grows more and more everyday

Ooh, I'm reaching the highest of highs  
Everytime I look in your eyes  
And if you ask me how I feel  
I can say it out loud  
I feel like a million inside

I never thought this could happen to me  
You got me just where you want me, baby  
For your love I would do anything  
Every night I'm a fool for your love

Ooh, I'm a fool for your love  
I'm a fool for your love  
Oh, I'm a fool for your love  
I'm just a fool for your love

Driving home from this sleepy old town  
When my day's work is all through  
The sun and the lights, make me wish I could fly  
Just to get back faster to you

I waited all day by the telephone  
Staring at the clock on the wall  
The hours are so long when you're free from my arms  
And I just can't wait to hold you

I'm a fool for your love  
I'm a fool for your love  
Oh, I'm a fool for your love  
I'm a fool for your love

Mmh, you're giving me chills up my spine  
I'm feeling so fine, going out of my mind  
And I don't care if it never stops  
Cause I love you and love till I drop

Ooh, I'm a fool for your love  
I'm a fool for your love  
Oh, I'm a fool for your love  
I'm just a fool for your love

I just want you to know

I'm a fool for your love
