Look Me In The Heart

Tina Turner

- Last night we tried to touch but we never got close
 Last night we tried to talk, the words got caught in our throats
 When we finally fell asleep
 We couldn't have been further apart
- R: Look me in the heart

 If you think that love is blind

 Baby look me in the heart

 And you'll see that I'm so crazy about you baby

 And it's not in my mind

 Can't you look me in the heart

Look me in the heart

- 2. You try to say that I'm hiding from you You act like a spy always looking for clues You've read about my past But why don't we try to make a new start
- R: Look me in the heart...
- *: Remember how good we used to be together Remember baby, so be tender baby Remember the love we said would last forever I know we can make it like that again
- R: Look me in the heart

 If you think that love is blind

 Baby look me in the heart

 And you'll see that I'm so crazy about you baby

 And it's not in my mind

 Can't you look me in the heart

 Look me in the heart
