Tearing Us Apart

Tina Turner

You know the sun is shining It's raining in my heart I don't know what to do Since we've been apart

Why don't you tell me, babe What is going on You know I love you darling Don't want to be alone

They're tearing us apart
They're breaking up my heart
I knew it from the start
Your friends are tearing us apart

You know I can't go on Feeling this old way You know my heart is burning It's burning everyday

You know I love you, baby No one else will do Why don't you reconsider What I want you to

They're tearing us apart
They're breaking up my heart
I knew it from the start
Your friends are tearing us apart

They're tearing us apart
They're breaking up my heart
I knew it from the start
Your friends are tearing us apart

Your friends are tearing us apart Tearing us apart Tearing us apart
