

Sometimes

Tina

Since I met you
I'm still fallin'
I can't forget you
still controllin'

Since I met you
things go easy
let me protect you
in this feeling

I can see things through your magic eyes
I'm still listening to your tender voice
I can't lose my faith to Jesus Christ
sometimes - it's your choice

I can see you through your magic eyes
I'm still listening to your tender voice
now I'm learning how to see the clouds
sometimes, sometimes

I can see things through your magic eyes
I'm still listening to your tender voice
I can't lose my faith to Jesus Christ
sometimes - it's your choice

sometimes - it's your choice
sometimes - it's your choice

Na na na na na
Na na na na na
Na na na na na
Na na na na na

Since I met you, I'm still falling...
