Intro:

Stones rollin' what is air flowin'  
Guns shootin', lil'babies so they are smokin...  
Birds flyin' that's why are my eyes cryin'  
But soon soon soon, soon soon soon  
It is over...

I used to be too fast...  
Just, just to be closer  
But fast, fast is not to last...  
Soon, soon it is over

Stones rollin' what is air flowin'  
Guns shootin', lil'babies so they are smokin...  
Birds flyin' that's why are my eyes cryin'  
But soon soon soon, soon soon soon  
It is over...

Too many hearts behind...baby  
And my, my becomes colder,  
fast cars, fast food,  
fast nap, but soon, soon it is over

Stones rollin' what is air flowin'  
Guns shootin', lil'babies so they are smokin...  
Birds flyin' that's why are my eyes cryin'  
But soon soon soon, soon soon soon  
It is over...
