

Chainless

Tinashe

Uh!

How ya feel, when I come through
Lookin so fly? Prettier than your bitch.
Gotta try to catch a niggas eye
I'll take your man like, ey hoe, watch this!
I'm not lookin at you
Tryna live it up. Just doing my own thing.
So high, what ya gon' do?
Pop another bottle boy, fill up my drink.

Throw it in the bag, rip the tag
Whats good?
Making bitches mad, cuz I'm bad
Whats good?
Getting money outta fools, shamless
Whats good?
Kinda feelin loose, chainless
Whats good?

And if we die tonight
At least we went hard.
No there's no better time to give all we've got
We're living yea!

We're livin, we're livin, we're livin
I'm on like a mother fucker.
We're livin, we're livin, we're livin
I'm on like a mother fucker.
I'm chainless as a mother fucker
Right now, Imma slap this skank bitch in the face
Right now, I'm fearless as a mother fucker
Right now, I'm fellin myself,
Gettin paid right now!

Feel me, I know, you see it.
Ready? Lets go! I need it.
I need it.

Throw it in the bag, rip the tag
Whats good?
Making bitches mad, cuz I'm bad
Whats good?
Getting money outta fools, shamless
Whats good?
Kinda feelin loose, chainless
Whats good?

And if we die tonight
At least we went hard.
No there's no better time to give all we've got
We're living yea!

We're livin, we're livin, we're livin
I'm on like a mother fucker.
We're livin, we're livin, we're livin
I'm on like a mother fucker.
I'm chainless as a mother fucker

Right now, Imma slap this skank bitch in the face
Right now, I'm fearless as a mother fucker
Right now, I'm fellin myself,
Gettin paid right now!
