

# Faded Love

Tinashe

You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love

No, don't give me your name  
No, I don't need your number saved in my phone  
Just follow me, follow me, follow me  
Follow me home  
Wanna take off my rings in my California King  
Let me get you alone  
Just follow me, follow me, follow me  
Follow me home

Let's just feel this feelin'  
Let's just feel this feelin'  
High up as the ceilin'  
Let's just, let's just feel this feelin'  
Let's just feel this moment  
We can make it last  
Let's just feel this feelin'  
Right now, right now

You on that faded love, love  
Luh-luh-luh-luh-love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
You on that faded love

I can feel every breath on the edge of my neck  
Cigarettes and cologne  
Just follow me, follow me, follow me  
Follow me home  
No, I don't know the time and I don't know what's next  
But I know that it's on  
Just follow me, follow me, follow me  
Follow me home

Let's just feel this feelin'  
Let's just feel this feelin'  
Try our best to seal it  
Let's just, let's just feel this feelin'  
Let's just feel this moment  
We can make it last  
Let's just feel this feelin'  
Right now, right now

You on that faded love, love

Luh-luh-luh-luh-love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
You on that faded love

Before I give my white cup up  
Before I give my white girl up  
Before I give my half-Dominican girl up, I need real love  
I'm on my fourth stripper of the day  
I keep a full thoroughbred Jamaican  
I'ma find your G-spot like you dropped your location  
Man I'ma give all this shit up one day  
Get some love from a video vixen on the runway  
You can't hold it against a king, baby  
You shoulda made me better, what I need  
You shoulda upgraded me already  
You shoulda made love to me already  
I done spent a million on you already  
I done bought diamonds for you already  
If you love, you can teach me, wanna learn  
Take you farther than Jerusalem when it's my turn  
We so spiritually connected  
We goin' in the right direction

You on that faded love, love  
Luh-luh-luh-luh-love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
Love  
You on that faded love, love  
Luh-luh-luh-luh-love  
You on that faded love
