

## Just a Taste

Tinashe

First seen you out in public  
You was feelin' me and I loved it  
There was somethin' about the way ya came up to me that day  
Approaching me on some thug shit  
Got that game, I'll let you run it  
'fore I knew it, you had me stumblin'  
And that game led to a kiss, before I knew what it is  
I'm falling hard like it's nothing, oh  
And now I can't seem to get you off of my mind  
(it's just a matter of time, I'll make you mine)  
Oohoo

Just a taste of your love isn't ever enough  
I need more somethin'  
(just a little bit more... a little, just a little bit more, uh y  
eah)  
Just a taste of your love, just a little bit more  
I need your lovin'  
(just a little bit more... a little, just a little bit more)

Ooh  
I love it when you play with my hair  
Nothing's too good to be true that's why I know that it's real  
It's no fair— these other girls I know they go and they come  
But boy you know that I'm a prize to be won  
Falling in love is like a million n one  
Trust me baby  
If you wit it say that you wit it  
Don't know why you're acting so timid  
Rarely in my life do I witness  
Someone who is so fine and kidless  
Uh  
We could make something of you and me, baby let's not look befo  
re we leap  
(it's just a matter of time, I'll make you mine)  
Give me what I need!

Just a taste of your love isn't ever enough  
I need more somethin'  
(just a little bit more... a little, just a little bit more, uh y  
eah)  
Just a taste of your love, just a little bit more  
I need your lovin'  
(just a little bit more... a little, just a little bit more)
