

# Ooh La La

Tinashe

You know you belong right here inside my arms

Ooh la la la la la la  
Ooh la la la la la la  
Ooh la la la la la la  
Ooh la la la la la la

I need love, you need yours  
I don't fall hard, I might go ghost  
Ooh don't forget, lose your chance if you play me to the left (to the left)  
Roll up, gon' catch that flight (roll it)  
Top floor, we ain't tryna go down (nope)

If you like it, go down (hey, what?)  
If you want me, say it soon (say it soon)  
Like my favorite little song (yeah, yeah, yeah)  
You gon' keep me singing all night

Ooh la la la la la la  
You know you belong right here (Ooh la la la la la)  
Ooh la la la la la la  
You know you belong right here inside my arms (Ooh la la la la la)  
Ooh la la la la la (ay, ay, ay)

So good he gon' wake up sayin' he love me (say I love ya)  
Too many times he never felt a heartbeat  
Pass, pass, pass, pass on the feelings (pass)  
Matter of fact, put 'em in a bag  
Keep you at knee, I'm a fearless rider  
Ain't love but I need you right now  
Keep you at knee, I'm a fearless rider  
Ain't love but I need you right now

If you like it, go down (hey, what?)  
If you want me, say it soon (say it soon)  
Like my favorite little song (yeah, yeah, yeah)  
You gon' keep me singing all night (keep me singing)

Ooh la la la la la la (la la la la la)  
Ooh la la la la la la  
Ooh la la la la la la (la la la la la)  
Ooh la la la la la la  
You know you belong right here (Ooh la la la la la)  
Ooh la la la la la la  
You know you belong right here inside my arms (Ooh la la la la la)  
Ooh la la la la la (right here)

Ooh la la, ooh la la, yeah  
Ooh la la, ooh la la  
Don't turn me down, go louder  
Hitting notes, 'bout to think I'm in the opera  
Need for speed so we coming full throttle  
And if he ask I'ma let him go harder  
Don't turn me down, go louder

Hitting notes, 'bout to think I'm in the opera  
Need for speed so we coming full throttle  
And if he ask I'ma let him go harder

You know you belong right here (Ooh la la la la la)  
You know you belong right here inside my arms (Ooh la la la la la, ooh la  
la la la la)  
You know you belong right here
