## **Player**

Tinashe

Live life like if I want, I do If I want love, I get it, get it, I get it Fooled me twice, if I fall for you If I go there, forget it

So you better stay up, player Yeah, you better keep up, player Cause tonight is a game-changer So you better stay up, player

Playing with fire, if I burn, you do If I hurt, you won't let it, you won't let it Stacked my deck like I ain't gon' lose Like a victim, forget it

So you better stay up, player Yeah, you better keep up, player Cause tonight is a game-changer So you better stay up, up, player

You and I make so much love Why you got me all fucked up? Yeah, you got me holdin' back, holdin' back But it ain't enough You and I make so much love Why you got me all fucked up? Yeah, you got me holdin' back, holdin' back Cause it ain't enough

All right, baby girl, I don't want them other bitches You be talking that shit, calling me a player, yeah Ain't no competition, fuck the opposition I'm the man of my city, just like the mayor I met her in the hotel lobby Then we started loving in the elevator You know I had to eat that Tongue on her body, see you later, alligator

Rolling 'round in the bed, smacking her on her ass She a stone-cold killer, 45 in the back Mama told her never mess with a nigga like me I took her to Fruit Town to meet my OG I took her to the west side, like "What's up?" We was on the east side, we fucked Now we sitting court-side, P-dub Put me in the bed; you ain't gotta worry 'bout it

Yeah, you better stay up, player Yeah, you better keep up, player Cause tonight is a game-changer So you better stay up, up, player, up

You and I make so much love Why you got me all fucked up? Yeah, you got me holdin' back, holdin' back But it ain't enough You and I make so much love Why you got me all fucked up? Yeah, you got me holdin' back, holdin' back Cause it ain't enough

You and I make so much love (I been wanna give up, nah) Why you got me all fucked up? (But you're making it rough, nah) Yeah, you got me holdin' back, holdin' back (You got me) But it ain't enough (Holdin' back, holdin' back, back) You and I make so much love (I been wanna give up, nah) Why you got me all fucked up? (But you're making it rough, nah) Yeah, you got me holdin' back, holdin' back Cause it ain't enough

(Ain't enough) Player (Ain't enough)
