

Stuck with Me

Tinashe

For the weekend, for the weekend
For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend
'Cause he stuck with me, 'cause he stuck with me

I got a little feeling that you're good for me
Never take a stand but you stood for me
I could build a team if you want to
Meet you in the city if you want to
I like your vision, I can see through
You be the lock I put my key through
I got an angel on my shoulder
But the devil keep me colder

I'm a trainwreck
I'm a carcrash
But you're shotgun
Get an air bag, get an ice pack for the weekend
'Cause he stuck with me, I can feel it
I'm a trainwreck
I'm a carcrash
But you're shotgun
Get an air bag, get an ice pack for the weekend
'Cause he stuck with me, I can feel it

For the weekend, for the weekend
For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend
'Cause he stuck with me, 'cause he stuck with me
For the weekend, for the weekend
For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend
'Cause he stuck with me, 'cause he stuck with me

Don't take me for granted, you might miss
More than just the diamonds I'm an empress
Paint me like I'm shattered if you want to
We could have a blast if you want to
Fairytale's a play, that's a new look
Don't need a prince or a glass shoe
I need a minute to ask you
Will this be forever tattoos?

I'm a trainwreck
I'm a carcrash
But you're shotgun
Get an air bag, get an ice pack for the weekend
'Cause he stuck with me, I can feel it
I'm a trainwreck
I'm a carcrash
But you're shotgun
Get an air bag, get an ice pack for the weekend
'Cause he stuck with me, I can feel it

For the weekend, for the weekend}
{For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend

'Cause he stuck with me, 'cause he stuck with me (for the weekend, for the weekend, fallin' for ya)
For the weekend, for the weekend, oh
For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend
'Cause he stuck with me, 'cause he stuck with me, with me

Na, na, na, na, na, na, na, na
'Cause he stuck
'Cause he stuck, 'Cause he stuck with me
Damage proof
We gon' be alright, we'll be baby right through
I promise, it's true
Know I'm gonna stop me if I want to

I'm a trainwreck
I'm a carcrash
But you're shotgun
Get an air bag, get an ice pack for the weekend
'Cause he stuck with me, I can feel it
I'm a trainwreck
I'm a carcrash
But you're shotgun
Get an air bag, get an ice pack for the weekend
'Cause he stuck with me, stuck with me

For the weekend, for the weekend
For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend
'Cause he stuck with me, 'cause he stuck with me (stuck with me)
For the weekend, for the weekend
For the weekend, for the weekend (fallin' for me)
For the weekend, for the weekend
'Cause he stuck with me, 'cause he stuck with me
