Tinchy Stryder

Yo, I got one or two on my list, let me tick em off  
Rochelle from the Saturdays, Pixie Lott  
Who would've thought I would've got this far  
And how on earth did his name brand get that large  
Cause I'm a fucking star, have you seen my car  
Holly Willoughby you can come around my bar  
I want it all no minimal, Tinchy the general  
Me and my brother Dappy that's cynical

Oh, I was raised a survivor  
Now I'm getting bags of money, I get a fiver  
Riding my time so I'm living  
The 30 years that I was given, lifer

You will always be my undercover lover  
Nothing like no other, lemme take you aboard  
A boat no dubber, nothing like my copper  
The pounds and the dollar  
Negative to positive no longer will I suffer

Rah rah  
Mama thought I wouldn't make it  
But now she's living in a spaceship  
She says son I'm getting all the toll, the money buys everything  
Would you like a face lift?  
See I didn't know I would be able to afford all of these clothes  
Look at where we are  
Now that's what happens when you make it

Oh-ooh-oh-ooh-oh-ooh

Yeah, I'm the shit round here  
Used to chill up on the block with the bitch down stairs  
I was always tryna get a little kiss of her  
Now she's screaming, begging me, grip my hair  
Uh, ever since I made it, vision never faded  
Thanks to my right hand man Dirk David  
He was like Tinch, maintainin' round this shit and never get constipated  
Money ain't a thing forever doubling  
But without the fans I wouldn't have been anything  
Screaming strides forever loving him  
And I ain't even bought a ring

You will always be my undercover lover  
Nothing like no other, lemme take you aboard  
A boat no dubber, nothing like my copper  
The pounds and the dollar  
Negative to positive no longer will I suffer

Yo, I used to think why am I this poor  
And now I can have anything I used to wish for  
If I lost it all to something I would have to cry for  
Oh-wow, further more I'd have to die for, oh-wow  
Yo, I used to think why am I this poor  
And now I can have anything I used to wish for  
If I lost it all to something I would have to cry for  
Oh-wow, further more I'd have to die for, oh-wow,

Pull up in the keyhole, following the plan  
Fresh from the mother land,  
See I do it for the seat and I do it for the stands  
Now lemme see your hands  
Lemme introduce to the band, and I'm the main man  
Building up my following, whole of it with fans  
Believe I really can, now I'm looking for my number 1 fan like stunnah, uh h  
uh

If only I could tell you how much you've changed my life  
See I do it for the seats and I do it for the stands  
Now lemme see your hands  
I couldn't have done this without all of you here tonight  
See I do it for the seats and I do it for the stands  
Now lemme see your hands
