

Take Me Back

Tinchy Stryder

Coz I can't live without ya oh oh oh
(girl I can't live without ya oh oh oh oh!)
Cloud nine strides
Coz I can't live without ya oh oh oh
(girl I can't live without ya oh oh oh oh!)
I need you back in my zoe
Cos I actually feel I can't cope on my own
Coz I can't live without ya oh oh oh)
I need u back in my zone
Coz I can't live without ya oh oh oh

How you put females on a hot...
Like I'm the one try me
There's me thinking I'm moving slyly
Your friend was out there with both eyes on me
Now I feel wrong cos you caught me
I can make it up to you trust me
If ya said no I would deal with that
I'm hoping you'd take me back

(Taio Cruz)
I'm sorry I misleded you pretty lady
I'm sorry I mistreated you pretty lady
I'm sorry that I hurt you pretty lady
All I need to know is
Can u take me back (x8)
Coz I can't live without ya oh oh oh

And it's only right u aint feeling let alon rating that
But babe it's a fact u on with the latest map
