

## Piano Song

Tindersticks

Shut up  
I'm thinking  
Shut up  
I'm thinking  
Shut up  
I'm thinking  
I'm thinking  
So shut up

If I hold you too tight  
Just say let go  
I know this touch can leave you hurting  
When my words clatter about your head  
Don't go to bed  
Just say "shut up"

'Cause in my sleep I still clench my teeth  
I'm at my strongest only when I'm weak  
I can give you those bruises just by talking to you  
You know I can laugh `til you're almost through  
Shut up, yeah  
Shut up, yeah  
Shut up, yeah  
I'm thinking, oh

Shut up, yeah  
Shut up, yeah  
Shut up, yeah  
I'm thinking, oh
