Sweet Release

Tindersticks

It's too long till I see you again It's too long to be with you

You know these hands They don't know what to do You know these hands They don't know how to

It's too long till I see you again It's too long to be with you

You know these hands They don't know what to do You know these hands They don't know how to

How to give me that sweet release Give me that sweet release Give me that sweet release Give me that sweet release

There's too much time Turning away from you There's too much time That I can afford now

You know these hands They don't know what to do You know these hands They don't know how to

How to give me that sweet release Give me that sweet release Give me that sweet release Give me that sweet release
