The sheep that was cut
Cut for blood
Was opened
The sheep that was cut
Cut for blood
Was opened and dried
Sheep that was cut and cut for blood
Was opened and dried
And stretched out
Sheep that was cut and cut for blood
Was opened, dried and stretched out
Hung on the wall
The sheep that was cut
Cut for blood
Was opened
The sheep that was cut
Cut for blood
Was opened and dried
Sheep that was cut and cut for blood
Was opened and dried
And stretched out
Sheep that was cut and cut for blood
Was opened, dried and stretched out
Hung on the wall
