

## Written in the Stars

Tinie Tempah

Oh, written in the stars  
A million miles away  
A message to the main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way

Lets go.

Yeah

You're listening now  
They say they aint heard nothing like this in a while  
Thats why they play my song on so many different dials  
Cause I got more f\*\*\*\*\* hits than a disciplined child  
So when they see me everybody brrrrrrap's, brrrrrraps  
Man I'm like a young gun fully black Barrack  
I cried tear drops over the massive attack  
I only make hits like I work with the racket and bat  
Look at my jacket and hat  
So damn berserk  
So down to earth  
I'm bringing gravity back  
Adopted by the major I want my family back  
People work hard just to get all their salary taxed  
Look Im just a writer from the ghetto like Malory Blackman  
Where the hell's full the sanity you got, damn  
I used to be the kid that no one cared about  
Thats why you have to keep screaming til they hear you out

Oh, written in the stars  
A million miles away  
A message to the main

Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way

Yeah,

I needed a change  
When we ate we never took cause we needed a change  
I needed a break  
For a sec I even gave up believing and praying  
I even done the legal stuff and was leaded astray  
They say the money is the route to the evilist ways  
But have you ever been so hungry that it keeps you awake  
Mate, now my hunger would leave them amazed  
Great, it feels like a long time coming, fam  
Since the day I thought of that cunning, plan  
One day I had a dream I tried to chase it  
But I wasn't going nowhere, running man!  
I knew that maybe someday I would understand  
Trying to change a tenner to a hundred grand  
Everyones a kid that no-one cares about  
You just gotta keep screaming until they hear you out

Oh, written in the stars

A million miles away  
A message to the main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way
