

I Remember My First Bear P.1

Tiny Moving Parts

Let's Begin!
Let's begin, let's start this up,
because I don't really want to die anymore.

A mission that's worth it
this whole trip, just imagine
The climate would be perfect
while our paw prints would work at it's best.

Only if they could see us now
they would watch us and be so proud.
So. Proud.
