

## I Remember My First Bear P.1

Tiny Moving Parts

Let's Begin!  
Let's begin, let's start this up,  
because I don't really want to die anymore.

A mission that's worth it  
this whole trip, just imagine  
The climate would be perfect  
while our paw prints would work at it's best.

Only if they could see us now  
they would watch us and be so proud.  
So. Proud.
