### Tiny Moving Parts

Can we please turn on a movie?  
I need something distracting from what's really happening  
To us, because I can't handle this.  
I can't listen to another minute of the words I'm collecting.

What I want and what I need  
Will I figure this out?

Because now I feel so scared,  
So disconnected from the world that I'm live in.  
Constant signals indicating I am nothing, nothing, nothing, nothing!

Can we please turn on a movie?  
I need something to distract me.

Staying silent, feeling so dishonest selling work from an office to an auction.

There is a difference between...
