

## Death

Tisíc let od ráje

A woman drowned IN THE RIVER  
Cold water washed her  
To the Danube  
And from there to the Sea  
Say it's not TRUE

An old melody sounds from THE SEA  
The Ocean tosses her voice  
from the other shore

It sounds like a lullaby to those who stay  
in the children's room and ask and ask  
WHERE SHE IS
