(Ooh, Come along with me)

Play with it while you have hands Dust settles, cities turn to sand Trespassing this is their land Time flies, make a statement, take a stand

Come along now, come along with me
Come along now, come along and you'll see
What it's like to be free
Come along now, come along with me
Come along now, come along and you'll see
What it's like to be free

Come along now, come along with me And I'll ease your pain
Come along, come along with me
And lets seize this day
Come along, come along with me

Stay out stay clear but stay close Friends, foes, God only knows Lets be the thorn on the rose Time flies, make a statement, strike a pose

Come along now, come along with me
Come along now, come along and you'll see
What it's like to be free
Come along, come along with me
Come along now, come along and you'll see
What it's like to be free

Come along now, come along with me And I'll ease your pain
Come along, come along with me
And lets seize this day
Oh, come along with me

Time flies, make a statement, take a stand Time flies, make a statement, take a stand Time flies, make a statement, take a stand Time flies, take your chance

Come along now, come along with me Come along now, come along and you'll see What it's like to be free

Come along now, come along with me And I'll ease your pain
Come along, come along with me
And lets seize this day
Oh, come along with me
