You're playing with fire I'm getting, oh, so tired You need to slow down You're spinning me around

You're playing with fire You're a good, good liar I need to hold on I've got to be strong, I've gotta fight

'Cause if loving you is wrong I don't wanna be right If loving you is wrong I don't wanna be right

If loving you is wrong
I don't wanna be right
I just wanna be right by your side

You're playing with fire
Make me go, go higher
I need to hold on
I've gotta be strong and I gotta fight

If loving you is wrong I don't wanna be right If loving you is wrong I don't wanna be right

If loving you is wrong
I don't wanna be right
I just wanna be right by your side

And I need a reason to believe you And you need a reason to receive me I really hope I'm wrong I don't wanna be right
