

Pimp C Back

Tity Boi

Where's the beast, pimp c?
Take it out bitch
OK, I've been the in the sky,
Raining, hit my building, make my wonder cry!
we kept 'em pillows sex we can have a pillow fight
Where my girl feeling right!
And this I'm a get you fly,
She said I hurt her feelings now she's I'm glad those ain't no
move, you ain't have to write.

Down! Take that shit off, bend over, let me see it!
Take that shit off, bend over, let me see it!
I said take that shit off, bend over, let me see it!
Take that shit off, bend over, let me see it!
I said take that shit out here, no more
We're the opposite of being sober,
Girls don't eat soda!
Cold beer ns cream soda, different weed California, you can sme
ll it in a coma!
They say the world is spinning, so I made me a bucket list,
All I wanna do is just so it's my fucking list!
Even if you couldn't fuck with us,

Down! Take that shit off, bend over, let me see it!
Take that shit off, bend over, let me see it!
I said take that shit off, bend over, let me see it!
Take that shit off, bend over, let me see it!
sit back, now what the fuck is holler?
Sit back, now what the fuck is up?
