

# I Won't Give Up On You

TKA

There you go again  
Hiding out on me  
Another missing person  
Trying to pretend  
That our love could never be  
But now I feel the tide is turnin'

Stop acting cool  
'Cause I can see right through you  
The truth is in your eyes  
So I'll be strong  
And I'll keep on trying

Chorus:  
Wherever you go tonight  
No matter what you do  
You know I won't give up on you  
I don't care if its wrong or right  
I'm gonna see it through  
You know I won't give up on you

I know its getting hard  
But I'll do the best I can  
To make it happen  
Don't keep me in the dark  
Cause I know where I stand  
I'm always right behind you

I used to cry but now I know much better  
It's time to realize  
That I'll be strong  
And I'll keep on trying

Chorus 2:  
Wherever you go tonight  
No matter what you do  
You know I won't give up on you  
I don't care if its wrong or right  
I'm gonna see it through  
You know I won't give up on you

Wherever you go tonight  
No matter what you do  
You know I won't give up on you  
I don't care if I start a fight  
I'm gonna see it through  
You know I won't give up on you

Rap:  
Now time was passin'  
And my friends keep askin' me  
All I said was "It had to be done"  
What happened to the fun?  
You were the girl in my world  
You were the one to be with  
Yow you say that you're the only  
One to love me

Now I'm lonely  
It's true, I'm blue with you  
And thought we're through  
Girl, I won't give up on you

Gotta keep on, gotta keep on  
Gotta keep, keep, keep on tryin'

I used to cry but now I know much better  
The truth is in your eyes  
So I'll be strong  
And I'll keep on trying

(Chorus 2)
