

## Hat 2 da Back

TLC

Being that I am the kinda girl that I am  
Nobody can make me do what I don't want to  
I can be myself a lot and I'm proud of what I got  
So I'll never change for you

Being that I am the kinda girl that I am  
Tight jeans don't hit the scene with one like me  
I got to feeling free and you better believe I'll  
Do what pleases me

Yo Left Eye kick the scene

See everyday last week and not a place to go  
This nut still had me dressin' like a fashion show  
But not this week I'm chillin' cause it's nothin' to hide  
Threw on my baggy dips and waited for my ride  
He pulled up knock knock til I opened the door  
Peeped my gear and started dissin' me from head to toe  
But yo just to let you know, it's takin' ta  
Make me wanna say gotta go, gotta go

Hat 2 da back I gotta dick my pants down real low  
That's the kinda girl I am  
That's the kinda girl I am  
Hat 2 da back I gotta kick my pants down real low

Here we go, here we go, here we go again

Being that I am the kinda girl that I am  
Some people just don't understand the things I do  
(You feelin' it "D", you feelin' it)  
Chillin' with the girls or kick it with the fellas  
If I choose

Being that I am the kinda girl that I am  
Dumb rules are left for fools  
With no attitude I think my way is cool  
So let me be me and continue being smooth  
Yo Left Eye what's up wit' that guy?

So you gettin' back to this dude wit' the foul attitude  
Shoot he made another bad move sayin' that  
Girls shouldn't wear baseball caps he can go take a hike  
Cause it's the style I like yeah it's a trip  
Cause somethin' hasn't yet been said  
I never talked about them damn fingerwaved in his head  
Tight jeans and 2 rings in each ear  
You know thatis dead but it's me instead

That's the kinda girl I am  
Don't cha know I really don't give a damn  
Let me be me for me and not what I'm supposed to be  
So I'm gonna do what I wanna do  
Cause dumb rules are left for silly fools  
That's the kinda girl that I am - ohh!

Here we go, here we go, here we go again

Some people might wonder why we're like that  
Cause we're smooth  
Smooth you know

Relatively speakin' I am no ordinary dip  
Cause I ain't reachin' hipped  
Til you be thinkin' I'm flipped  
And that is oooh on the TLC tip

1-2-3-4 y'all
