All In All

Toad The Wet Sprocket

All in all it's just as well Water moves and earth is still Time is slower still Half an hour is thirty days Nothing moves at all this way Hold on, I can wait

Life lies burning I am only just as much as I can make myself And I lie burning Life is only just a part of it I can't help myself

All in all it's just the sun Catch wind and hold it down Cold when evening comes All in all it's just as well Catch the river, make it still Water turns the mill
